For two-letter codes and other abbreviations, refer to the "Guidance Notes on Codes and Abbreviations" appearing at the beginning of each regular issue of the PCT Gazette.

(54) Title: CROSS REFERENCE TO RELATED APPLICATIONS

(57) Abstract: An embodiment of the present invention provides for a system including an exercise apparatus, a controller and a video display. The controller receives input signals from the exercise apparatus. The controller tracks a distance traveled by the user. To motivate the user, the controller displays images on the video display based on the distance traveled and corresponding to an actual location.
